INFORMATION ABOUT JOINING THE WAITING LIST FOR A GARDEN PLOT.

We have two gardens, '**Jolimont**' **127 plots** and '**Slater**' **42 plots** and they are for growing vegetables, or fruit or flowers for your own use.

They are situated at

* 82 Jolimont Rd Forest Hill, and

* Slater Reserve, Grosvenor St North Blackburn.

Plots are approximately 9 metres by 3.5 metres, half plots 4.5m by 3.5m.

The waiting lists at both gardens can vary, and currently there could be a wait of at least a year or more.

There is a limit of one plot per household, and you must be a resident or ratepayer of the City of Whitehorse.

Our policy is that **no poisons and no weedicides** are to be used on the plots or paths. **If you fail to abide by this rule, you will lose your plot.** If this policy does not suit the way you like to garden, there are a few other Community Gardens which do allow the use of pesticides, so you should contact them instead.

To be on the waiting list, you need to pay **\$5 membership each year**. You may attend our general and annual meetings each year (we have speakers on gardening topics), come to our February Harvest Show, and participate in any special offers to get seeds and manure. You will be sent newsletters in the post before each meeting.

When a plot becomes available, we will contact you by phone.

You will then pay additional amounts of

\$50 deposit (refundable if plot returned in good condition)

\$25 for your plot rental – (Jolimont)

or \$15 for half plot rental – (Slater only, which begins with a half plot initially.)

(Pro-rata if part way through a year)

\$5 refundable deposit for a key to the shed and gate.

You must agree to keep your garden and pathways reasonably weed free and tidy, and agree to follow the Rules and By-Laws.

If you would like to have your name added to the waiting list, please send in the form with all your details, and the \$5 membership to:
